DETAILED ACTION

1. The period for reply was set forth in the previous action (Notice of Allowance mailed 7/25/08).

Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on 7/30/08 was filed after the mailing date of the Notice of Allowance that was mailed on 7/25/08. Please note that the Non-Patent Literature Document, Item 2, in said IDS fails to comply with all the requirements of 37 CFR 1.97 and 37 CFR 1.98, however this document has been considered. A line is drawn through the Document's citation to show that it is non-compliant. The reason that this document is non-compliant is because it is not a published document.

Drawings

3. Please note that the Replacement Sheet filed 08/06/08 has been entered.

Reasons for Allowance

4. Claims 1, 12, 13 and 15-20 are allowed.
5. After reviewing the information disclosure statement (IDS) submitted on 7/30/08, it has been determined that none of the references provided in said IDS taken either

alone or in combination with the prior art of record disclose applicant's claimed invention.

6. Please see the previous Notice of Allowance that was mailed on 7/25/08 for specific reasons why applicant's claimed invention defines over the prior art of record.

Conclusion

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
